[Assented to 3rd April, 1947.]

WHEREAS it is provided by the "Municipal Act" (herein- Preamble
after called the "Act") that the assessment roll for every municipality shall be returned not later than the thirty-first day of December in each year, and that upon returning the roll the assessor shall make a statutory declaration in the form prescribed by that Act:

And whereas it is further provided by the said Act that before returning the roll the assessor shall, with respect to each parcel of land assessed, mail to the person or persons indicated in the Act notices as provided in the Act:

And whereas because of the death of the assessor for the municipality of Langley these things in respect of the assessment roll for the year 1947 were not done before the required dates:

And whereas it is further provided by the said Act that every assessment roll shall be considered and dealt with by a Court of Revision, which is required to sit on the eighth day of February in each year or on such other date between the first and fifteenth days of February as is designated by the Council:

And whereas notice was given that the Court of Revision would sit on the fifteenth day of February, 1947, which date is not authorized by the Act:

And whereas the Court of Revision, notwithstanding the said notice, held its first session of its annual meeting for the year 1947 on the eighth day of February, 1947:

And whereas there was at that sitting presented to the Court of Revision an assessment roll for the municipality of Langley for the year 1947:
