Certificate No. 6411

RAILWAY ACT
Chapter 395, R.S.B.C. 1996

I, George Abbott, Minister of Community, Aboriginal and Women's Services, by authority of section 271 of *The Railway Act*, order that section 24 and section 26 of BC Reg. 95/82, the Location, Construction, Operation and Use of Aerial Tramways regulation, are repealed and the following substituted as per the attached schedule:

May 2/02
Date

Minister of Community, Aboriginal &
Women's Services

SCHEDULE

Section 24 of B.C. Reg. 95/82, the Location, Construction, Operation and Use of Aerial Tramways, is repealed and the following substituted:

Approval of appliances and appurtenances

24. Working drawings of all mechanical details and appurtenances with respect to the construction, modification and operation of the aerial tramway shall be submitted in duplicate to the inspector. The as built drawings and technical specifications must be provided and accepted for filing by an inspector prior to the inspection or acceptance test.

Section 26 of B.C. Reg. 95/82, the Location, Construction, Operation and Use of Aerial Tramways Regulation, is repealed and the following substituted:

Standard code to govern aerial tramways

26. Except as otherwise provided in this regulation, the standard governing the design, manufacture, construction, modification, testing, operation, maintenance and inspection of aerial tramways (also referred to as passenger ropeways) and appurtenances to them shall be CSA Standard Z98-01. Appendices A, B, C, D, E, F, G, H, J, and K of the Standard are mandatory.
