

CERTIFICATE NO. 6392

R A I L W A Y A C T**CHAPTER 395 R.S.B.C. 1996**

- M 195

Application having been made by **INTERNATIONAL RAIL ROAD SYSTEMS INC.**, (IRRS) on behalf of the **MINISTRY OF TRANSPORTATION** for approval of a new highway crossing at (IRRS) Mile 149.90, over Atco Road, at Highway 3B, near Fruitvale, British Columbia, as shown in documentation filed with the Ministry of Community, Aboriginal & Women's Services in support of this application, and the Chief Inspecting Engineer having signified consent:

NOW THEREFORE, pursuant to the provisions of section 144(2) of the "Railway Act", this application is approved subject to the following conditions:

1. The crossing shall be constructed and thereafter maintained in accordance to the Part 3 of the Railway Safety Code.
2. Whistle signs and flanger signs are to be displayed to rail traffic.
3. Railway crossing signs and stop signs are to be displayed to vehicular traffic, and
4. All costs of installation, inspection and maintenance of the crossing, are the responsibility of the Ministry of Transportation.

Date

May 28/02

Minister

George Abbott
