- (3) Means of publication are suitable for providing notices if
  - (a) they allow all information in a notice to be displayed legibly,
  - (b) they allow a notice to be published by the required date, and
  - (c) they allow a person to consult a notice more than once during the period from the date of publication until the date of the matter for which notice is required.
- (4) Means of publication are accessible if
  - (a) they are directed or made available to a diverse audience or readership, and
