"Schedule A"

FLAT RATES:

DOMESTIC

Dwellings and house trailers occupied by no more than
 one person (Established by declaration of the fact) \$ 19.50

Dwellings and house trailers other than above \$ 39.00

Swimming pools in addition to any other rate \$ 16.25

BUSINESS & INDUSTRIAL

For each business, industrial or other non-domestic user
 to which a metered service is not provided \$ 39.00

If business combined with domestic supply \$ 39.00

SCHOOL

For each classroom \$ 32.50

The above rates are due and payable annually in advance on the first day of January in each year. Where any portion of the annual flat rate charge as set out above remains unpaid on the 31st day of March in the year in which it is due and payable there shall be added to the charge owing, an amount equal to ten per cent (10%) of such portion of the charge owing and from that date the additional amount shall be part of the charge.

NEW CONSTRUCTION

For each new structure which will not be provided with a metered service \$ 5.00

The above rate shall be for a period of three months only, after which period, the regular flat rate pro-rated for the balance of the current year shall be payable. The above rate shall be due and payable in advance from the date of application for a water service connection. In calculating the said three month period the month of application shall be counted.

TEMPORARY SUPPLY

Where an application has been made for a metered water service, and pending the installation of such service water is required on a temporary basis, the fee of \$ 38.00

METER RATES:

All meter rates are due and payable quarterly on the 1st day of March, June, September and December in each year. All meters shall be read monthly and consumption based on such reading. If it becomes impossible to make a monthly reading for any reason, the monthly reading shall be the average of the previous three months read.
