*[Handwritten initials]*

WHEREAS pursuant to Order-in-Council No. 2975, approved on September 4, 1970 and Order-in-Council No. 3533, approved October 22, 1970, Lornex Mining Corporation Ltd. was granted, respectively, Lots 1667 and 1666, Kamloops Division of Yale District, for the development of a townsite in conjunction with the Company's mining and other operations in the Logan Lake area.

AND WHEREAS one of the terms of the Orders-in-Council stipulated that any parts of the lots which were not subdivided, developed or put to use as a townsite to the satisfaction of the Minister of Lands, Forests, and Water Resources within five years from the dates of the respective Orders, or within such extended time that may be granted by the said Minister, would be re-conveyed to the Crown.

AND WHEREAS a recent submission from the Company indicates that a reasonable amount of development has already taken place in a responsible manner, and further development work is to take place in order to provide additional low cost housing in the area, it is recommended that the development period enumerated in the Orders-in-Council indicated herein, be extended for further periods of four years, respectively, from the dates of the approvals thereof.
