SCHEDULE

1 The Liquor Control and Licensing Regulation, B.C. Reg. 241/2016, is amended by adding the following section:

Managed alcohol programs

192.1 (1) In this section:

“health authority” means

- (a) a regional health board designated under section 4 of the *Health Authorities Act*,
- (b) the First Nations Health Authority, or
- (c) the Provincial Health Services Authority;

“managed alcohol program” means a program for dispensing doses of liquor to individuals who experience harms related to their consumption of alcohol.

- (2) A health authority may, without a licence or permit, purchase liquor for use in a managed alcohol program.
- (3) A person who administers a managed alcohol program may, without a licence or permit, serve and sell liquor in a public or private place to individuals participating in the program if the program is approved by a health authority.
- (4) Subject to subsection (5), a person who is authorized to serve and sell liquor under subsection (3) may
 - (a) deliver the liquor in unopened containers to individuals participating in a managed alcohol program, and
 - (b) enclose the liquor in containers and deliver the liquor to individuals participating in a managed alcohol program.
- (5) A person may deliver containers of liquor under subsection (4) only to
 - (a) a place referred to in section 73 (1) (a), (b) or (f) of the Act, or
 - (b) a dwelling place of an individual participating in a managed alcohol program, including a shelter for individuals experiencing homelessness.
- (6) An individual participating in a managed alcohol program may, without a licence or permit,
 - (a) purchase liquor from a person who is authorized to sell liquor under subsection (3), and
 - (b) for the purposes of section 73 (1) (d) of the Act, consume doses of liquor, or possess liquor in an open container, in a place where the doses are served, sold or delivered under this section.

- (7) A person may, without a licence or permit, manufacture beer or wine for the purposes of a managed alcohol program if
- (a) the program is approved by a health authority,
 - (b) the person's manufacture of the beer or wine is not in contravention of the *Excise Act* (Canada) or the *Excise Act, 2001* (Canada), and
 - (c) the beer or wine that is manufactured is
 - (i) consumed by individuals participating in the program, or
 - (ii) disposed of as waste.
