SCHEDULE

1 The Renewable and Low Carbon Fuel Requirements Regulation, B.C. Reg. 394/2008, is amended by adding the following section:

Exclusions from “supply” – flood and landslide emergency

6.101 (1) In this section:

“**flood and landslide emergency**” means the emergency that is the subject of the declaration of a state of emergency made on November 17, 2021, and any extension of that declaration, under section 9 of the *Emergency Program Act*;

“**specified area**” means any of the following areas:

- (a) the Metro Vancouver Regional District;
- (b) the Fraser Valley Regional District;
- (c) the Squamish-Lillooet Regional District;
- (d) the Sunshine Coast Regional District;
- (e) the qathet Regional District;
- (f) Vancouver Island;
- (g) the trust area within the meaning of the *Islands Trust Act*;

“**specified date**” means the date that is 7 days after the later of the following dates, as applicable:

- (a) the date on which the declaration of a state of emergency referred to in the definition of “flood and landslide emergency” expires or is cancelled;
- (b) the date on which the last extension of that declaration expires or is cancelled.

(2) The definition of “supply” in section 1 of the Act does not apply in relation to a Part 2 fuel or a Part 3 fuel if

- (a) the fuel is petroleum-based gasoline or petroleum-based diesel fuel,
- (b) the director confirms in writing, before the specified date, that the director is satisfied that the fuel has been or will be brought into a specified area, outside of the usual course of business, for the purpose of responding to the flood and landslide emergency, and
- (c) the fuel is brought into the affected area for that purpose by the date that is 30 days after the specified date.
