INDEX OF CURRENT B.C. REGULATIONS

Deposited under the *Regulations Act* or filed under a former Act (Exceptions described below)

1958 to September 30, 2016, up to B.C. Reg. 235/2016

INTRODUCTION

The Index of Current B.C. Regulations is provided for convenience. While every effort is made to achieve accuracy, only the B.C. Gazette and other official publications are authoritative. Legal opinion should be sought if interpretation is required.

This Index includes all regulations deposited or filed since March 20, 1958 and still in effect, except

- those regulations bringing Acts into force,
- those regulations that were repealed before January 1, 2016,
- those regulations that were removed from this publication before January 1, 2016 on the basis that those regulations may no longer have effect, and
- those regulations that were removed from this publication after 1983 further to the enactment of the *Regulations Act*, S.B.C. 1983, c. 10 (for more information, see the Historical Information on the next page).

For information on regulations deposited after the end date referenced for this publication, see the regulations bulletins published at <http://www.bclaws.ca>.

Starting in 2000, B.C. Reg. numbers have taken the form of xxx/2000, using a four-digit full year reference. For regulations deposited or filed before 2000, B.C. Reg. numbers have taken the form of xxx/99, using the last two digits of the year.

This Index includes regulations that are not in force at the cutoff date. Regulations made under an Act that was repealed and replaced are listed under the replacement Act.

The regulations listed in this Index have been or will be published in the B.C. Gazette, Part II, unless otherwise noted. Citations such as “1985-55-42” signify the year, chapter and section of the statute cited. Beginning in 2016, this Index is published quarterly and is available online at <http://www.bclaws.ca>.

HISTORICAL INFORMATION

The *Regulations Act*, S.B.C. 1958, c. 49, enacted March 20, 1958, for the first time required that every piece of legislation fitting the Act's definition of a regulation be filed with the Registrar of Regulations and published in the B.C. Gazette. A new Part II of the B.C. Gazette was inaugurated on April 17, 1958 for this purpose. Before that date, a regulation was published in the B.C. Gazette if the statute under which it was made required publication in the B.C. Gazette, but not otherwise. The Act also provided that

“Every regulation in effect when this Act comes into force shall be filed with the Registrar on or before the thirty-first day of December, 1959.”

For this reason, the earliest regulations filed have a B.C. Reg. number corresponding to 1958.

Although section 10 of the original *Regulations Act* required every regulation in effect when the Act came into force to be filed before December 31, 1959, many were not. The *Regulations Act*, S.B.C. 1973, c. 76, provided that

“A regulation made before September 1, 1973 ceases to have effect after December 1, 1973 unless it is filed under this Act or was filed under the Act repealed by this Act.”

The *Regulations Act*, S.B.C. 1983, c. 10, came into force on October 26, 1983, and introduced a new definition of “regulation”. Many items that previously appeared in this publication were delisted after 1983 because they did not appear to fit the new definition.

In 1996 the *Regulations Act* was revised as part of the general revision of statutes. The current version may be cited as the *Regulations Act*, R.S.B.C. 1996, c. 402.

Before 2016, the Index was published twice yearly, with cutoff dates of June 30 and December 31. In addition, an Index was published in each instalment of the looseleaf Consolidated Regulations of British Columbia.
